Employment History

Attending Psychiatrist, Department of Psychiatry, Division of Consultation-Liaison Psychiatry, Cedars-Sinai Medical Center
7/2012-Current

Psychiatric consultant for both medically-ill hospitalized patients and patients presenting to the emergency department with primary psychiatric or medical complaints.

Staff Psychiatrist, Addiction Medicine Group, Cedars-Sinai Medical Office Towers
7/2010-Current

Adult, child and adolescent psychiatrist and addiction medicine specialist treating individuals with complex and refractory mood, anxiety and substance use disorders in a group private practice setting. Specialized areas of expertise include management of severe addictive disorders in young adults with co-morbid ADHD.

Attending Psychiatrist, Department of Child and Adolescent Psychiatry, Childrens Hospital Los Angeles
7/2010-7/2012

Psychiatric consultant for medically-ill hospitalized infants, children and adolescents with mood, pain, cognitive, and chemical dependency issues at the largest pediatric hospital in Southern California. Areas of expertise include management of complex delirium, refractory pain, somatoform and eating disorders as well as agitation and sedation in the pediatric and cardiothoracic ICU settings. Gained proficiency in the pharmacologic management of psychiatric disorders in patients with organ and bone marrow transplants and commonly treat patients with rare and highly complex medical conditions.

Staff Attending Physician, Riverside Community Regional Medical Center, Arlington Campus
7/2007-9/2011

Resident (7/2007-12/2009) then attending physician (12/09-9/2011) at the Riverside County psychiatric inpatient facility and emergency room, a 77-bed hospital located in one of the largest counties in California. Adult, child and adolescent psychiatric cases frequently presented with exceptional acuity and complexity.

Leadership Experience

Chief Fellow, Department of Child and Adolescent Psychiatry, UC Irvine Medical Center
7/2009-6/2010

Provided administrative assistance to department and acted as a liaison to fellows. Assisted with overall conflict negotiation and resolution within institutional administrative policies. Organized and arranged all aspects of fellowship didactic seminar for 1st and 2nd year fellows.

Fellow, Psychopharmacology Clinic, Department of Child and Adolescent Psychiatry, NPI-UCLA Medical Center
7/2009-6/2010

Performed year-long externship as child and adolescent psychiatry fellow in this highly specialized psychopharmacology clinic.

National Psychiatry Resident Representative, Organization for Resident Representatives, Association of American Medical Colleges (AAMC)

10/2008-5/2010

Provided resident physician voice to the AAMC through input to governance on matters before the association. Obtained leadership development opportunities related to academic medicine.

Co-President, Associated Medical Student Government and Student Body (AMSG), UC Irvine School of Medicine
6/2004-6/2005

Oversaw all aspects of medical student government, oversaw responsibilities of other AMSG officers; coordinated several major school of medicine events.

Assistant Coordinator Psychiatry Interest Group, UC Irvine School of Medicine
6/2003-6/2005

Organized events, meetings and maintained contact between medical students and members of psychiatry department faculty.

Co-President, AMSG 2nd Year Class, UC Irvine School of Medicine
9/2002-9/2003

Coordinated major medical school events, academic and community activities for first and second year medical students; served as liaison between medical students, faculty and student government. Represented student body at school of medicine advisory board and AMSG meetings.

Operations Manager Madres Del Futuro, UC Irvine School of Medicine
1/2002-1/2003

Oversaw clinic operations in this non-profit, medical student run pre-natal clinic for the underserved.

Staff Physician, Flying Samaritans at UCI
1/2001-9/2009

Patient triage, history taking, physical examination and treatment planning; clinic is located in El Testarazo, Mexico and was established to provide free medical treatment to the extremely underserved in the area.

Constituent Medical Case Worker, 34th Senatorial District, State of California
8/1999-7/2000

Constituent assistant for medical-, business- and government-related cases in the local office of California Senator Joseph Dunn. Served as liaison between constituents and departments of state; managed fundraising and community service events, provided intern supervision.

Research

Factors Influencing a Medical Student's Decision to Pursue a Career in Emergency Medicine.
